Pink Himalayan salt may enhance serotonin levels in your body. This chemical might help to reduce stress, boost energy and relieve depression. Pink Himalayan salt can help restore energy in your body. There is lack of evidence for this benefit.

Crushed Pink Salt

1 kg x 25 pck = 25 Kg Bag

*Crushed + Powder
Pink Salt*

1 kg x 25 pck = 25 Kg Bag

Himalayan pink salt is a wonderful way to improve the quality of your skin by aiding hydration, rejuvenation, and overall health through dermal absorption of minerals.

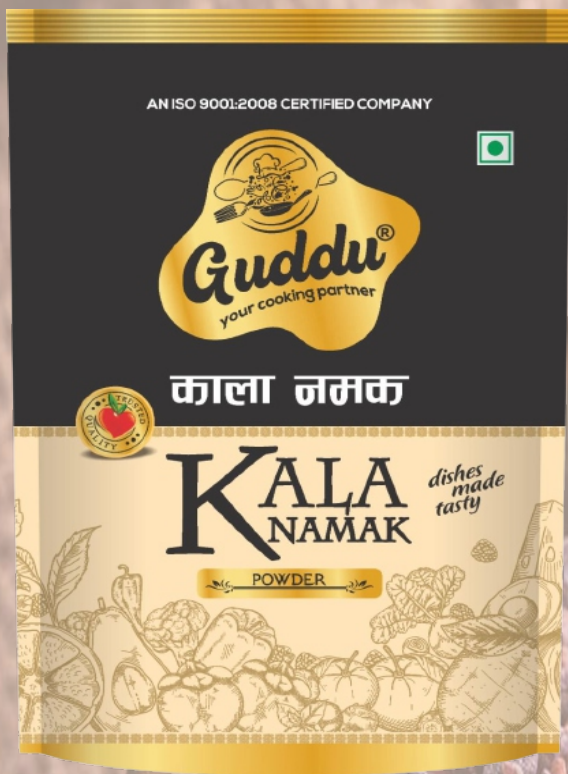

Iodine Salt

1 kg x 25 pck = 25 Kg Bag

Iodized salt helps create the hormones that regulate heart rate and blood pressure. It also helps to burn extra fat deposits that could lead to heart disease. Salt promotes healthy hydration levels and creates a balance of electrolytes.
